

Department of Experimental Therapeutics

- Early drug development
 - FIH trial
 - Phase I trial
- Investigator Initiated Trial
- Translational Research
- POC study

This block contains several elements: a large photograph of a modern hospital building; a smaller photograph of a multi-story hospital building; a circular logo with three interlocking rings; a photograph of a tall hospital building; and the logo for NCC EPOC, which includes the letters 'NCC' above 'EPOC' and a red and white striped circle. Below the NCC EPOC logo is the text 'Basic Researcher'.

Basic Researcher
